

West Warwick and the Housing 2030 goal

Housing 2030 growth category: Modest · goal 432 homes permitted 2026–2030 (43 affordable), about 86 a year

86

homes a year the goal asks for

167

permitted in 2025, by the
State's survey (194% of the
yearly pace)

55

permitted in 2025, by the
town's reports to the Census
(64%)

183

certificates of occupancy in
2025, by the State's survey

The goal is written in permits, and the State has not said which count will measure it. For West Warwick the two counts agreed in 5 of the last eight years.

NEW HOMES PERMITTED, TWO GOVERNMENT COUNTS

Year	Census Building Permits Survey	State municipal survey	Same?
2018	39*	39	yes
2019	10	10	yes
2020	49	48	
2021	35	35	yes
2022	48	48	yes
2023	19	19	yes
2024	82	76	
2025	55	167	

WHAT THE QUARTERLY UPDATE ADDS

Each quarter: the latest Census months against the pace the goal requires, the State's numbers when they publish, and, where the town shares its permit log, a permit-by-permit reconciliation of the two counts, so the number the town reports is the number it can defend.
