

Woonsocket and the Housing 2030 goal

Housing 2030 growth category: Modest · goal 593 homes permitted 2026–2030 (59 affordable), about 119 a year

119

homes a year the goal asks for

149

permitted in 2025, by the
State's survey (125% of the
yearly pace)

28

permitted in 2025, by the city's
reports to the Census (24%)

149

certificates of occupancy in
2025, by the State's survey

The goal is written in permits, and the State has not said which count will measure it. For Woonsocket the two counts agreed in 3 of the last eight years.

NEW HOMES PERMITTED, TWO GOVERNMENT COUNTS

Year	Census Building Permits Survey	State municipal survey	Same?
2018	6	6	yes
2019	19	19	yes
2020	35	67	
2021	35	35	yes
2022	18	24	
2023	198	196	
2024	26	77	
2025	28	149	

WHAT THE QUARTERLY UPDATE ADDS

Each quarter: the latest Census months against the pace the goal requires, the State's numbers when they publish, and, where the town shares its permit log, a permit-by-permit reconciliation of the two counts, so the number the town reports is the number it can defend.
